## gluten free

a number of our menu items cater for **gluten free:** nachos, salad, ham + chicken, grazing plate and bunless hot dogs. all our condiments and sauces are gluten free too.

⬆️gluten is present in our centre. we take utmost care to avoid cross-contamination, using separate utensils & preparation areas for sandwiches & toasting. As some of our items are still prepared in our regular prep area (i.e. nachos & salad), minimal contamination may occur.

**OTHER DIETARY NEEDS:** we ask that when placing your order you alert our staff so the necessary precautions can be taken to ensure your meal meets your needs.

Note: Our kitchen closes 30 minutes before centre closing time.
